SKILLS

- C#, .NET, ASP.NET Core
- .NET Web API, MVC
- SQL Server, EF, SPs
- Angular, React, TS
- HTML, CSS, Bootstrap
- WPF, Git, Agile

LANGUAGES

Tamil, Malayalam, English

PROFESSIONAL SUMMARY

.NET Developer with hands-on experience in designing and developing web and desktop applications. Skilled in C#, ASP.NET Core/MVC, .NET Web API, WPF, SQL Server, and Entity Framework. Comfortable building responsive UIs using Angular and React, and delivering clean, maintainable solutions in agile teams.

EXPERIENCE

.NET Developer | Keesa Express Aug 2024 - Present

- Developed and maintained digital platforms including OON SOFT, Furusaan invoice system, and Business Admin.
- Built secure REST APIs using .NET Web API with authentication, role-based authorization, and business validations.
- Managed SQL Server schema, stored procedures, and reporting queries for high-volume order and invoice workflows.
- Delivered responsive web modules with Angular/React and TypeScript; collaborated with QA and product teams.

.NET Developer Intern | Srishti Innovative Dec 2023 - Jun 2024

- Built a WPF-based Hospital Management System for patient registration, appointments, and records.
- Worked on School Management platform modules and reporting features using .NET and SQL Server.
- Contributed to Real Estate project (Praedium) with .NET backend and React frontend integration.
- Used Git workflows and collaborated in agile sprints to deliver stable releases.

EDUCATION

- Master's in Computer Science | Nesamony Memorial Christian College, Marthandam | 2022 - 2024 | CGPA: 8.14
- Bachelor's in Computer Science | Nesamony Memorial Christian College, Marthandam | 2019 - 2022 | CGPA: 7.74
- 12th Grade | Hindu Vidyalaya Marthandam HSS | 2018 - 2019 | 57%
- 10th Grade | Hindu Vidyalaya Marthandam HSS | 2016 - 2017 | 78%
